

**South Carolina Alternate Assessments**  
**Agreement to Maintain Confidentiality Regarding Student Information**

As a test administrator (TA) or second rater (SR) for a student who is enrolled in another district or school, I understand that I am being added as a TA and/or SR in the student's enrolled school in the Test Information Distribution Engine (TIDE). I therefore understand that I will not only have access to my student's information, but I will also have access to the information of other students in my student's enrolled school.

I hereby agree that I will not discuss, disseminate, describe, or otherwise reveal the contents of the students' demographic information that I will have access to with anyone. I will only use this access to view my student's demographic information, enter my student's scores for the SC-Alt Social Studies in the Data Entry Interface, and administer the SC-NCSC ELA and Mathematics and the SC-Alt Online Assessments through the Test Delivery System.
